March Highlight Event
Louis Armstrong House & Museum And Lunch at La Stressa

Join us for a very entertaining day on **Tuesday, March 19th**, as we visit the **Louis Armstrong House Museum,** located at 35-56 107th Street in Corona Queens. The Museum is a National Historic Landmark and a New York City landmark. Louis Armstrong - the world's most famous jazz musician - was an international celebrity who could have lived anywhere. Yet in 1943, he and his wife, Lucille, settled in a modest house in Corona, Queens, where they lived for the remainder of their lives. No one has lived in the house since the Armstrongs, and the house and its furnishings remain very much as they were during Louis and Lucille's lifetime. Today, the Louis Armstrong House Museum is open to the public, offering guided tours of Louis's longtime home. On the tour, audio clips from Louis's homemade recordings are played, and visitors hear Louis practicing his trumpet, enjoying a meal, or talking with his friends. Visitors also get to enjoy an exhibit on Louis's life and legacy, and the Armstrongs' beautiful Japanese-inspired garden. **We will meet at the Museum at 10:30AM. Note: Ample street parking is available.**

After our tour of the Museum we will all meet for lunch at **La Stressa, Italian Restaurant,** located at **1524 Northern Boulevard, in Manhasset The cost of the Museum Tour and Lunch will be $35 per person for residents and $40 per person for non residents**.
