### **A RARE OPPORTUNITY TO ENJOY TWO ICONIC SITES ON ONE TRIP: NY BOTANICAL GARDEN & MARIO'S RESTAURANT — TUESDAY, JUNE 28th**

A tour bus will take us to the **New York Botanical Garden** for a tour of the world renowned home to more than a million flowering plants. Our own *private guide* will escort us through the spectacular gardens in the **Enid A. Haupt Conservatory**, a unique Italian renaissance style Crystal Palace. You will be amazed by the fabulous display of four different environments that support plant life.

Leaving the Conservatory, you can hop on a tram (they run every 10-15 minutes) and go visit this living museum's *National Historic Landmark Garden*, the breath taking **Rockefeller Rose Garden**. This garden features more than 3,500 spectacular rose plants in more than 600 different varieties.

Art lovers will be able to view the Garden's special exhibit: **Impressionism: American Gardens on Canvas**, a unique grouping of more than 20 paintings by artists including Chase, Hassam and Sargent. The tram will take you directly to this exhibit and you can view it at leisure.

From the Masters of Art, our next stop will be luncheon by the Master Chefs at the acclaimed **Mario's Restaurant on Arthur Avenue** (Little Italy in the Bronx). Visitors from around the world have enjoyed its special food and warmth for over 92 years.

**Botanical Garden's floral magic + Arthur Avenue's food magic = FUN!**

***SPECIAL EVENT: KENNY SCHARF’S EXUBERANT ART LIGHTS UP THE NASSAU MUSUEM  
THURSDAY, JUNE 2nd - Meet us a the Museum at 11:15 AM  
This replaces the trip to Sagamore Hill, previously scheduled for this date***

Join us for a private docent guided tour of this new and exciting exhibition of **Kenny Scharf’s** work. His playful imagery became his signature within the eye-popping, sometimes exasperating, New York City graffiti and street art which emerged in the 1980’s. His work is known for its vibrantly colorful large-scale paintings and extraordinarily playful installations. Scharf’s imagery draws upon the pop icons, media advertising and consumer culture of the 1960’s. A highlight of this exhibition is the **“Cosmic Cavern”** a garish mini-nightclub environment occupying an entire gallery of the museum. Walk in and take a seat, listen to the music and even dance, if the spirit moves you! This is a unique experience you won’t want to miss! A companion exhibition titled **“Glamorous Graffiti”** looks at Scharf’s contemporaries who were active in the New York graffiti and street scene movement: Keith Haring, Jean Michael Basquiat, Lee Quinones, Crash, Futura 2000, Toxic and others.

Join us for lunch at **Antonette’s of East Hills.**

**The cost for the Museum and Lunch: \$35 for Residents/\$40 for Non-residents  
Lunch only \$25**

#### ***A Reminder:***
