# MEMPHIS

*Memphis* is set where rock and roll was born in the 1950s: the seedy nightclubs, radio stations and recording studios of the musically-rich Tennessee city. With an original score, it tells the fictional story of DJ Huey Calhoun, a good ole' local boy with a passion for R&B music and Felicia Farrell, an up-and-coming black singer that he meets one fateful night on Beale Street. Despite the objections of their loved ones (Huey's close-minded mama and Felicia's cautious brother, a club owner), they embark on a dangerous affair. As their careers rise, the relationship is challenged by personal ambition and the pressures of an outside world unable to accept their love. Join us for dinner at **Pirandello, 35 Lincoln Avenue (Valet Parking Included)**

**Cost for Theater and Dinner: \$75 for Residents/\$85 for non-Residents**

**Dinner only: \$30**
