WHAT WE DO

The Nancy Marx Cancer Wellness Center provides free holistic care – including exercise, education, workshops and support groups – to those living with cancer and their families for over a decade.

WHY 3.1 MILES MATTER

When one family member is diagnosed, the entire family is impacted. Proceeds from the Stronger Than Cancer 5K allow us to support those living with cancer throughout all stages of treatment. The race is open to all, and the route is perfect for both serious runners and casual walker. Join us as we come together to help our fellow community members become **Stronger Than Cancer.**
