

G A P APP

The GAP program is designed to provide first-hand practical experience in village government and the court system. Students are invited to learn the inner-workings of municipal government. In addition, the interns may also be asked to participate in village projects and initiatives. All students who complete the program are given a minimum 40 hours community service credits, hold a position in the program and are given "Leadership Awards." It is also possible to earn more credits based on the amount of work performed.
