APPLICATION FOR EXTERIOR REPLACEMENT PERMIT

Project Location: _____

STATE OF NEW YORK, COUNTY OF NASSAU, ss.: I state that I am the property owner or one of the property owners of the subject property, and I certify that the information provided on the application is accurate and the statements are true to the best of my knowledge and belief. I understand and agree that these statements are being relied upon by a municipality; that false statements are perjurious and may result in criminal prosecution; and/or a fine of \$10,000. If there is more than one property owner, I further certify that I am authorized to act on behalf of all owners with respect to the submission of this application, and that they have been informed of all information included in this application as well as its terms and conditions. In submitting this application, I authorize any agents listed on this application to act on my behalf. I grant permission for Building Department Officials and other agents of the Village to enter onto the property for the purpose of performing any necessary inspections, without prior notice. I agree to comply with all rules and regulations of the Zoning and Building Code, deed restrictions, with every other provision of the law of the Village of East Hills and the Uniform Code of the State of New York.

APPLICATION FOR EXTERIOR REPLACEMENT PERMIT

CONSTRUCTION REGULATIONS

Project Location: _____

Section: _____ Block: _____ Lot(s): _____ Zone: _____

I, the undersigned, do hereby acknowledge that The Village of East Hills has notified me of the following partial list of regulations pertaining to building construction:

- 1) Permitted times for construction & construction related activities (i.e. dumpster and material deliveries) are Monday – Friday, 8am – 5pm only. **No work** is to be done on **Saturdays, Sundays** and **Village Holidays**.
- 2) No dumpsters, construction debris, sand, dirt or building materials of any kind are permitted in any roadway at any time during construction.
- 3) Construction debris must be loaded directly into a container or neatly piled and securely covered at all times.
- 4) Advertising signs are not permitted.
- 5) All work areas must be completely surrounded with a fence as per code and determination of the Building Dept.
- 6) Building permit card must be displayed at all times while permit is open.
- 7) Storm water and erosion control is the responsibility of the contractor/homeowner. All required control elements must be in place prior to start of construction and be maintained throughout.
- 8) Removal of trees requires a permit. All tree permit applications should be submitted with building permit applications.
- 9) Tree protection for all trees in the work area must be in place prior to the start of construction and maintained throughout. Final grading within ten feet of trees is to be done by hand only.
- 10) It is the responsibility of the Contractor/Owner to ensure that all inspections are performed as required. Failure to ensure all required inspections are performed is a material breach of the conditions of the Building Permit.
- 11) Each undersigned Contractor must immediately notify the Building Department if they, for any reason, terminate or are terminated from this project. In addition, it is the responsibility of the Property Owner and Contractor to notify the Building Department of any change of Contractor. All notifications must be in writing.
- 12) All construction sites must maintain adequate lighting throughout project and provide solar lighting when there is no electric service.
- 13) All major project sites must maintain rodent control elements (bait boxes) throughout construction.
- 14) Violations may result in an appearance ticket that carries a fine of up to \$5,000.00 being issued to the General Contractor and/or Property Owner and the possible suspension or revocation of the building permit.
- 15) Portable sanitary units may be placed on a temporary basis only at the rear or side of any dwelling or then-permanent structure or as approved by the Building Inspector, and shall be promptly removed upon completion of any project which necessitated their use.
- 16) Rodent traps must be set up prior to demolition at the site.
- 17) While demolition is in progress, Contractors must maintain a spray of water on a home to control dust and minimize any effect on neighboring properties.
- 18) **Permits are issued for a term of 1 year from date of issue (two years for new construction and substantially improved structures).** Permits may be extended to no more than five years from date of issue. Fees for each permit extensions are required and must be paid prior to issuance of a Certificate of Occupancy/Compliance.
- 19) Closing out building permits is the sole responsibility of the Property Owners and/or their agents. No exceptions will be made.
